

NH Strategy Team 2– Meeting 4 Notes

Strategic Theme 2: Early childhood workforce capacity and quality

August 24th, 2022 8:30-10:30am

GSG Facilitator: Christine Koehn

GSG Notetaker: Olivia Gunthert

Participants:

- ❖ Katie Brissette
- ❖ Amy Brooks
- ❖ Jen Doris
- ❖ Kristi Hart
- ❖ Marti Ilg
- ❖ Lynn Ouellette
- ❖ Gene Patnode
- ❖ Shannon Tremblay
- ❖ Sue Watson

Summary of team purpose:

The team is going to continue to refine and develop the initiatives brainstormed over the past two meetings. They will start with reviewing the success indicators and proposed initiatives for each objective as well as discuss the most important points to incorporate into the strategic theme template. Christine will take the information decided on today and fill out the strategic theme templates for each objective.

I. Strategic theme template discussion:

The team reviewed and discussed the success indicators for each objective. The success indicators are informing the development of initiatives. They discussed the language of current initiatives, applicable research/current work happening in New Hampshire and other states, movement of ideas to other initiatives/teams as appropriate, etc.

II. Subcommittee Meeting Presenters:

We need to have one member present each objective to the Strategic Planning Subcommittee on September 6th. Gene offered to present information related to Objective 1. Dianne offered to present information related to Objective 2.

III. Next Steps:

Christine will take the information discussed today and fill out the strategic theme template for each objective. Once this is complete, she will send it out to the team for review and feedback. The team will send their input about the strategic theme templates via email to Christine and Olivia.
